

Older People's Support Service

(Funded by Welsh Government Supporting People Programme)

Our free independent and confidential information and advice service is available to all Flintshire residents age 50+.

We provide a short term support service that encourages and supports older people to remain independent and continue to live in their own home safely and securely.

Our advisors visit older people at home where they are able to identify any issues that are causing concern and then provide information or support as appropriate, including Housing Support, Benefit information and health and wellbeing.

For further information please call

0845 054 9969

or visit our website www.acnew.org.uk
